Opportunities and what I'd do

Priority	Opportunity	Why it matters	What I'd do
High	**No website at all**	Your 20 years and NAPA AutoCare backing don't show up anywhere a customer can click.	Build a simple site and link it to the listing.
High	**Competitors have full sites**	Reidsville shops with fewer reviews have websites, and Google notices.	A site with services and Reidsville wording closes that gap.
Medium	**Only 10 photos**	More photos show the shop is busy and well kept.	Add photos of the shop, team and equipment.

See what a simple site could look like. I built a free sample page for Auto Tech of Reidsville at **mymabry.com/previews/auto-tech-of-reidsville**. It uses only what is already on your Google listing, and it is hidden from search engines. It is yours to keep or ignore.

Every item above is something you can fix yourself. If you'd rather hand it off, my Google Presence Optimization service takes care of it for a flat monthly fee, with no long-term contract. Reply to my email or call the number in my signature and I'll walk you through it.
