Opportunities and what I'd do

Priority	Opportunity	Why it matters	What I'd do
High	**Only 18 Google reviews**	Danville roofers with far less history have three to six times as many.	Ask every finished job for a review with a short link or card.
High	**Few recent reviews**	About 8 reviews in the past two years; homeowners look at recency.	Make the review request part of every job closeout.
Medium	**Newest reviews have no replies**	Replies show care to homeowners comparing roofers.	Reply to every review within a week.
Medium	**Only 10 photos**	Roofing buyers want to see finished roofs.	Add before and after photos from recent jobs.

Every item above is something you can fix yourself. If you'd rather hand it off, my Google Presence Optimization service takes care of it for a flat monthly fee, with no long-term contract. Reply to my email or call the number in my signature and I'll walk you through it.
