Opportunities and what I'd do

Priority	Opportunity	Why it matters	What I'd do
High	**Listing is unclaimed**	Anyone can suggest edits, and you can't reply to reviews.	Claim and verify the listing.
High	**Name doesn't say plumbing**	"Fanning, Inc." gives Google few clues on its own.	Fill in services and description; build a site that says plumbing.
Medium	**No website**	Homeowners usually check a plumber online before calling.	Build a simple one-page site and link it.
Low	**Only 2 photos**	Photos of trucks and jobs build trust.	Add photos of the team and recent work.

See what a simple site could look like. I built a free sample page for Fanning, Inc. at **mymabry.com/previews/fanning-inc**. It uses only what is already on your Google listing, and it is hidden from search engines. It is yours to keep or ignore.

Every item above is something you can fix yourself. If you'd rather hand it off, my Google Presence Optimization service takes care of it for a flat monthly fee, with no long-term contract. Reply to my email or call the number in my signature and I'll walk you through it.
