Opportunities and what I'd do

Priority	Opportunity	Why it matters	What I'd do
High	**Listing is unclaimed**	Google shows "Claim this business"; anyone can suggest edits.	Claim and verify the listing.
High	**A restaurant review is mixed in**	Google's highlights quote a review about a good meal and waitresses.	After claiming, report the misplaced review.
Medium	**No website**	Maps visitors can only call.	Build a simple one-page site and link it.
Low	**Only 6 photos**	Custom exhaust work photographs well.	Add photos of recent exhaust jobs.

See what a simple site could look like. I built a free sample page for Franklin Muffler & Pipe Services at **mymabry.com/previews/franklin-muffler-pipe-services**. It uses only what is already on your Google listing, and it is hidden from search engines. It is yours to keep or ignore.

Every item above is something you can fix yourself. If you'd rather hand it off, my Google Presence Optimization service takes care of it for a flat monthly fee, with no long-term contract. Reply to my email or call the number in my signature and I'll walk you through it.
