What's working

- 138 reviews at 4.8 stars.
- A website that names Eden in its title and heading.
- Towing, body work and repair all in one place.

Opportunities and what I'd do

Priority	Opportunity	Why it matters	What I'd do
High	**Template leftovers on the website**	Logo text reads "San Diego Alpha Towing" and a button says only "Button".	Fix the logo text and button labels.
High	**Newest reviews have no replies**	None of the five newest had a reply when checked.	Reply to recent reviews, then every new one within a week.
Medium	**No contact form on the site**	Body shop customers often want to send photos for an estimate.	Add an estimate request form.

Every item above is something you can fix yourself. If you'd rather hand it off, my Google Presence Optimization service takes care of it for a flat monthly fee, with no long-term contract. Reply to my email or call the number in my signature and I'll walk you through it.
