- Claimed listing with hours and phone.

Opportunities and what I'd do

Priority	Opportunity	Why it matters	What I'd do
High	**4.1 rating**	Google's highlights still show an older negative quote.	Ask satisfied customers for reviews after each job.
High	**Recent reviews have no replies**	Replies help offset older complaints.	Reply to every review within a week.
Medium	**No site of your own**	The listing links to two template dealer pages.	Build a branded site on your own domain.
Low	**Only 6 photos**	Homeowners like to see installs and the team.	Add photos of recent installs.

Every item above is something you can fix yourself. If you'd rather hand it off, my Google Presence Optimization service takes care of it for a flat monthly fee, with no long-term contract. Reply to my email or call the number in my signature and I'll walk you through it.
