What's working

- 22 reviews at 4.6 stars, many from lake visitors you helped quickly.
- Complete hours, including Saturday morning.

Opportunities and what I'd do

Priority	Opportunity	Why it matters	What I'd do
High	**No business category**	Google doesn't know you're a repair shop, so "auto repair near me" may skip you.	Set Auto repair shop as the main category.
High	**Listing is unclaimed**	Anyone can suggest edits, and you can't reply to reviews.	Claim and verify the listing.
Medium	**No website**	Vacationers searching from their phones have nothing to click.	Build a simple one-page site and link it.
Medium	**Only 2 photos**	Photos help out-of-town drivers find and trust you.	Add photos of the storefront and shop.

See what a simple site could look like. I built a free sample page for Joslyn's Complete Automotive at **mymabry.com/previews/joslyns-complete-automotive**. It uses only what is already on your Google listing, and it is hidden from search engines. It is yours to keep or ignore.

Every item above is something you can fix yourself. If you'd rather hand it off, my Google Presence Optimization service takes care of it for a flat monthly fee, with no long-term contract. Reply to my email or call the number in my signature and I'll walk you through it.
