Opportunities and what I'd do

Priority	Opportunity	Why it matters	What I'd do
High	**No business hours**	Missing hours leave people guessing and can lower your ranking.	Add hours to the listing.
High	**No photos**	Transmission customers are making a big decision; photos build trust.	Add photos of the shop and equipment.
Medium	**No website**	Someone comparing shops has nothing beyond the stars.	Build a simple one-page site and link it.

See what a simple site could look like. I built a free sample page for Laymans Transmission at **mymabry.com/previews/laymans-transmission**. It uses only what is already on your Google listing, and it is hidden from search engines. It is yours to keep or ignore.

Every item above is something you can fix yourself. If you'd rather hand it off, my Google Presence Optimization service takes care of it for a flat monthly fee, with no long-term contract. Reply to my email or call the number in my signature and I'll walk you through it.
