Opportunities and what I'd do

Priority	Opportunity	Why it matters	What I'd do
High	**Listing is unclaimed**	Anyone can suggest edits, and you can't reply to reviews.	Claim and verify the listing.
High	**No business hours**	People can't tell when you're available.	Add hours to the listing.
Medium	**No photos**	A listing with no photos looks inactive.	Add photos of the team and trucks.
Medium	**No website**	Homeowners usually check a plumber online before calling.	Build a simple one-page site and link it.

See what a simple site could look like. I built a free sample page for Long's Plumbing at **mymabry.com/previews/longs-plumbing**. It uses only what is already on your Google listing, and it is hidden from search engines. It is yours to keep or ignore.

Every item above is something you can fix yourself. If you'd rather hand it off, my Google Presence Optimization service takes care of it for a flat monthly fee, with no long-term contract. Reply to my email or call the number in my signature and I'll walk you through it.
