Opportunities and what I'd do

Priority	Opportunity	Why it matters	What I'd do
High	**No business hours**	People can't tell if you're open before they call or drive over.	Add hours to the listing.
High	**Address has no street number**	Navigation apps may send people to the wrong spot.	Add the full street address.
Medium	**No photos**	A listing with no photos looks inactive.	Add photos of the shop and team.
Medium	**No website**	Maps visitors can only call.	Build a simple one-page site and link it.

See what a simple site could look like. I built a free sample page for Peters Auto Services at **mymabry.com/previews/peters-auto-services**. It uses only what is already on your Google listing, and it is hidden from search engines. It is yours to keep or ignore.

Every item above is something you can fix yourself. If you'd rather hand it off, my Google Presence Optimization service takes care of it for a flat monthly fee, with no long-term contract. Reply to my email or call the number in my signature and I'll walk you through it.
