## Opportunities and what I'd do

| Priority | Opportunity | Why it matters | What I'd do |
|---|---|---|---|
| High | **Website is a single page** | There are no separate pages for the services you offer. | Add pages for residential, commercial, generators and industrial work. |
| High | **Little local wording** | Google looks for Martinsville and Henry County when matching "electrician near me". | Add service-area wording to titles and headings. |
| Medium | **Name varies on the site** | Both "Reed Electrical Solutions" and "Reed Electrical Services" appear. | Use one name everywhere. |
| Low | **No contact form** | Commercial customers often want to send a request in writing. | Add a quote request form. |

Every item above is something you can fix yourself. If you'd rather hand it off, my Google Presence Optimization service takes care of it for a flat monthly fee, with no long-term contract. Reply to my email or call the number in my signature and I'll walk you through it.
