Opportunities and what I'd do

Priority	Opportunity	Why it matters	What I'd do
High	**Main category is Auto parts store**	Category drives which searches you appear in; exhaust searches may miss you.	Set the main category to Muffler shop and add Auto repair shop.
High	**Template text left on the website**	Homepage slides still read "Slide title" and "Write your caption here".	Replace the slide text with real photos and captions.
Medium	**Founding date conflicts**	The site says both "since 1940" and "74 years ago".	Pick one founding year and use it everywhere.
Medium	**Only 4 photos on Google**	Exhaust work photographs well and sells itself.	Add before and after photos of custom exhaust jobs.

Every item above is something you can fix yourself. If you'd rather hand it off, my Google Presence Optimization service takes care of it for a flat monthly fee, with no long-term contract. Reply to my email or call the number in my signature and I'll walk you through it.
