Opportunities and what I'd do

Priority	Opportunity	Why it matters	What I'd do
High	**Phone numbers don't match**	Google shows (336) 394-4346; the website shows (336) 342-4225.	Use one main number on Google, the site and directories.
High	**No photos on Google**	A listing with no photos looks inactive.	Add 10 to 15 photos of the shop, bays and team.
Medium	**Website title and heading need work**	Title repeats "Automotive"; heading reads "Automotive Sevices".	Retitle to "Auto Repair in Reidsville, NC | Wolf Creek Auto" and fix the typo.
Medium	**Website hours table is empty**	Visitors can't tell when you're open from the site.	Fill in the hours to match Google.

Every item above is something you can fix yourself. If you'd rather hand it off, my Google Presence Optimization service takes care of it for a flat monthly fee, with no long-term contract. Reply to my email or call the number in my signature and I'll walk you through it.
